SERVICE GUIDE

Preparing Your Photos for the Best Results

For the best results, please submit at least 5 clear, high-quality photos.

More photos may improve the variety and accuracy of your final portraits.

MINIMUM RECOMMENDED

- 2 clear front-facing photos
- 1 full-body photo
- 2 additional photos from different angles

HELPFUL TIPS

- Hair should match your current appearance
- Natural lighting works best
- Avoid blurry photos & heavy filters
- Glasses are fine if worn regularly

Frequently Asked Questions

How long does it take?

Standard turnaround is 3–5 business days. Rush delivery (48 hours) is available for an additional \$35.

How are images delivered?

All images are delivered digitally through a private, high-quality online gallery.

Can I request revisions?

Yes. One round of revisions is included to make sure you're completely satisfied.

Can I use the images commercially?

Yes. You have full rights to use your images for your business, website, social media, marketing, and print materials.
